    - outside distractions
18. How do you handle distractions while studying?
    - turn off notifications
    - use a timer
    - study in a quiet room
    - use noise-cancelling headphones
My favorite subject is English. I like to read and write stories. I also enjoy learning about different cultures.

Yesterday, I went to a new restaurant with my family. We tried some delicious food and had a great time. I learned a lot about the history of the restaurant and its founder. It was an amazing experience.
